Signage Installer and Vinyl/graphics Applicator

Are you hardworking, eager to learn and with a good eye for detail?

Are you someone with experience in the signage industry looking for a new challenge?

Are you looking for a position in a well-respected and supportive company delivering and installing signs and graphics across the country?

What are we looking for?

A highly organised, talented individual has good knowledge about all types of signs and graphics applications and an excellent eye for detail with a sound understanding of the construction and installation techniques.

The ideal candidate will be eager to learn, have a good eye for detail, practical, and be a great team player.

Duties and Responsibilities

Manage clients on-site and clearly communicate timings and installation schedules

Support and liaise with multiple external and in-house production and crew teams

Overseeing the highest standard of finish is achieved on all projects.

Flexible attitude to working times to enable the company to deliver jobs effectively.

Lead installations ensuring the installation is successful, reporting any changes or snagging, and responsible for the final handover and client sign-off

Conduct complete site surveys and provide accurate dimensions and information

Read and understand detailed technical construction drawings and site plans.

Support in-house production & projects team leading up to installation

Application of vinyl, manifestation & large format print to external and internal surfaces

Communicate installation schedules and timelines to ensure all projects are delivered on time and that the client's expectations are met

Delivering post-install reports with photographs

Work closely with clients on-site & Project Managers to ensure installs are completed to the highest standards.

Teamwork

Positive and constructive collaboration is key to everything we do at Peach. Maintaining regular, clear and positive communication with all teams is essential to ensuring jobs and projects are completed to the highest standards.

Essential Individual Characteristics

Willing to work individually on projects or as part of a team.

Excel in working in a fast-paced environment & working to tight deadlines

Excellent communication skills liaising with clients and projects team.

A Minimum of 5 years previous experience as a sign & graphics installer.

A Valid driver's license and a clean driving record.

Good knowledge of various types of signs, including vinyl & large format print

A sound understanding of the applicable installation methods, materials, and safety measures.

The ability to operate hand and power tools.

Have exceptional attention to detail.

Willingness to work during evenings and on weekends, as needed.

Physically fit and able to perform strenuous labour, including lifting, climbing, and working at heights.

What we are offering.

For this position, we're offering an excellent salary based on experience alongside the opportunity for growth and progression as the company grows.

We're also offering a great work environment with a positive and success-driven culture. You will also get the opportunity to make a real difference and positively impact our work. You will also

join a culture of equality and inclusion where people can be the best they can be with excellent, productive transparency across the company.

We are looking for someone who can hit the ground running and bring their experience to the company, so if this sounds like the type of role you're interested in and want to learn more about, get in touch. Send us an email with your up-to-date resume and a quick message about yourself, and we can take it from there!

Benefits:

Supply a company vehicle to commute from home to the office or directly to site.

A pre-paid travel card to move across sites in Central London
